

European Patient Innovation Summit 2018

Nov 16, 2018

The European Patient Innovation Summit (EPIS) was hosted in Facebook. Over 50 patient groups, bloggers and expert patients attended the event, which focused on the theme of “Patient Empowerment: The Digital Perspective.” Speakers included Clive Ryan, Regional Director Facebook, Mary Fitzsimons, RCSI and Anthropologist, Patrick Slevin from UCD. Patrick Little, CEO of Migraine Ireland chaired the meeting. Ireland was one of 14 hubs around Europe, including Spain and Germany. Many thanks to the scribe for the event, Aoife from MS Ireland, who capture the key themes from the Summit. #EPIS2018.
