The management has informed that there is no change in the number of shares as on 19<sup>th</sup> February 2026.

- 2.1.3. The Company is engaged in the business of manufacturing of medicine and other pharmaceuticals.

## **3. SOURCES OF INFORMATION**

- 3.1. For the purpose of this exercise, we have relied upon the following sources of information:

- (a) Audited financial statements of the Company for the year ended 31<sup>st</sup> March 2025, as available in the public domain;
- (b) Market price and volume information of the Company as available on BSE;
- (c) Latest shareholding pattern of the Company based on information, as available in the public domain;
- (d) Other relevant details of the Company such as its history, past and present activities, future plans and prospects, and other relevant information; and
- (e) Such other information and explanations as required and which have been provided by the management of the Company.

*Besides the above information and documents, there may be other information provided by the Company which may not have been perused by us in any detail, if not considered relevant for the defined scope. The Company has been provided with the opportunity to review the draft report as part of our standard practice to make sure that factual inaccuracy & omissions are avoided in the final report.*

#### **4. OUR APPROACH**

- 4.1. For the purpose of determining minimum price of equity shares of the Company as per Regulation 8(2) of the Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 the offer price shall be the highest of:
- (a) the highest negotiated price per share of the target company for any acquisition under the agreement attracting the obligation to make a public announcement of an open offer;
  - (b) the volume-weighted average price paid or payable for acquisitions, whether by the acquirer or by any person acting in concert with him, during the fifty-two weeks immediately preceding the date of the public announcement;
  - (c) the highest price paid or payable for any acquisition, whether by the acquirer or by any person acting in concert with him, during the twenty-six weeks immediately preceding the date of the public announcement;
  - (d) the volume-weighted average market price of such shares for a period of sixty trading days immediately preceding the date of the public announcement as traded on the stock exchange where the maximum volume of trading in the shares of the target company are recorded during such period, provided such shares are frequently traded;
  - (e) where the shares are not frequently traded, the price determined by independent registered valuer taking into account valuation parameters

**A R C H AND ASSOCIATES**  
**Chartered Accountants**

including, book value, comparable trading multiples, and such other parameters as are customary for valuation of shares of such companies; or  
(f) the per share value computed under sub-regulation (5), if applicable i.e. for indirect acquisition of shares.

- 4.2. The management has informed that the acquisition is a direct acquisition of shares of the Company and therefore, the Regulation for indirect acquisition of shares [Regulation 8(2)(f)], shall not apply.
- 4.3. As per the Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011, "frequently traded shares" means shares of a target company, in which the traded turnover on any stock exchange during the twelve calendar months preceding the calendar month in which the public announcement [is required to be made under these regulations], is at least ten per cent of the total number of shares of such class of the target company.
- 4.4. The total number of shares traded during the 12 calendar months preceding the calendar month in which public announcement is made is 24,94,106 and the percentage of shares traded as a percent of the total number of shares is 10.10%, computed as under:

Particulars	Number of shares
Total number of shares (as per shareholding pattern as on 31 December 2025) *	2,46,90,797
Total number of shares traded during the 12 calendar months preceding the calendar month in which public announcement is made (1 February 2025 to 31 January 2026)	24,94,106
<b>Shares Traded / Total Number of Shares</b>	<b>10.10%</b>

Accordingly, the Regulation for not frequently traded shares [Regulation 8(2)(e)] shall not apply.

**5. RECOMMENDATION**

- 5.1. In light of the above and on consideration of all the relevant factors and circumstances as discussed and outlined herein in this report (including exclusions and disclaimers, provided below), the minimum price of equity shares as per Regulation 8(2) of SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011, shall be higher of the following:

<<This space has been intentionally left blank>>

Sr. no.	Particulars	Price (INR)	Reference
a)	the highest negotiated price per share of the target company for any acquisition under the agreement attracting the obligation to make a public announcement of an open offer	860.64	The management has informed that the highest negotiated price as per the Share Purchase Agreement is INR 860.64
