Job ID

REQ-10008167

Jul 05, 2024

Malaysia

Summary

The number of countries (16) supported by FRA Operations Team that delivers financial reporting and accounting services, financial compliance and process expertise in the areas of Source to Pay including Travel and Expense.

About the Role

Major accountabilities:

- The S2P Operational Expert reviews, reconciles and executes P2P and T&E transactions, analytics, Controls & Monitoring and reporting.
- Ensures inquiries from the business users are resolved on timely manner.
- Ensures strong quality assurance and strict adherence to Novartis policies and drives strategies with positive impact on the Key metric/KPI as well as provides highly effective and efficient end-to-end processes to the Novartis business. Supports compliance on its area of responsibility, as well as ensures systems, documentation and proper reporting is in place.
- This role will collaborate with internal Novartis GPO, Business Partners, Hub and External Consulting Interface operational teams, as well as business stakeholders and external suppliers to enable operational excellence as well as process and system efficiency initiatives, while maintaining controls and reporting.
- Execute quality of reconciliations and make sure that they follow Novartis standards (keep close communication with R2R and BPA functions).
- Provide services at expected levels and KPI targets/ beyond, with a clear customer focus, including handling the exceptions. Provides functional guidance to other team members when needed. Interacts proactively within NGSC and Business to ensure accurate accounting, and financial reporting. Resolve raised issues and disputes on timely manner.
- To drive and support system or process enhancements through digital and technology to improve productivity and create better experience to the stakeholders.
- Maintain good collaboration with External consulting interface services; ensures efficiency, continuous improvements and seamless service.
- Keep track of issues and provides quality RCA to identified gaps, as well as execute effective solution that eliminates the cause of the issue from the root.
- Ensures all accounting policies and procedures are adhered to, including Novartis Financial Control Manual (NFCM) controls and global processes. Promote a strong control environment, follow up on audit issue, and implement corrective measures (if assigned).
- Ensure Master data maintenance with high quality to provide risk-free environment from potential fraud prevention or inaccurate /rejected payment through Call-back validation and AP on Behalf process.

Key performance indicators:

- Internal customer satisfaction with quality, appropriateness, and timeliness of financial analyses provided
- Customer satisfaction of service delivery and process specific KPIs in accordance with agreed SLAs

Minimum Requirements:**Work Experience:**

- Bachelor's degree or higher# 4 + years accounting experience, with in-depth functional & process expertise in P2P / AP / T&E Process
