

## **Regional Medical Advisor " >**

Job ID  
328358BR  
India

### **Job Description**

Dozens of opportunities to work collaboratively across different functions. In Medical Affairs we are encouraged to collaborate, grow, and work on new ways to increase our impact in the community.

Your responsibilities:

Your responsibilities include, but are not limited to:

- Engage with Medical Experts (MEs) to educate on medical/scientific information
- Ensure appropriate identification/mapping of MEs/ Key Accounts including identification of opportunities to involve MEs when a specific medical need is identified to provide support
- Develop and execute ME engagement plans to effectively prioritize and strategically engage MEs aligned with country strategy .
- Respond to unsolicited requests for information from MEs
- Inform and shape medical strategy by collecting impactful insights from MEs
- Support Novartis clinical research programs, optimize trial execution and provide scientific educational support to potential and actual study sites in collaboration with clinical operations.
- Facilitate Investigator Initiated Trial (IIT) process upon investigator request
- Serve as a medical resource to field matrix colleagues North/South

### **Diversity & Inclusion / EEO**

*Novartis is committed to building an outstanding, inclusive work environment and diverse team's representative of the patients and communities we serve.*

### **Minimum Requirements**

What you'll bring to the role:

- MBBS +MD mandatory
- Experience of 1 year as RMA Preferably Oncology experience.
- Experience of Clinical Research or Medical Writing would be added advantage.

What you'll bring to the role:

- MBBS; MD Mandatory with min 1 year industry experience
- Operations Management and Execution Project Management
- Collaborating across boundaries
- Clinical Trial Design, Data & Reporting Medical Science and Disease Area Knowledge
- Medical Education and Scientific Engagement
- Non-Interventional Studies (NIS) / Epidemiology Studies

- Medical Governance and Medical Safety

### Why Novartis?

769 million lives were touched by Novartis medicines in 2020, and while we're proud of this, we know there is so much more we could do to help improve and extend people's lives.

We believe new insights, perspectives and ground-breaking solutions can be found at the intersection of medical science and digital innovation. That a diverse, equitable and inclusive environment inspires new ways of working.

We believe our potential can thrive and grow in an unbossed culture underpinned by integrity, curiosity and flexibility. And we can reinvent what's possible, when we collaborate with courage to aggressively and ambitiously tackle the world's toughest medical challenges. Because the greatest risk in life, is the risk of never trying!

Imagine what you could do here at Novartis!

Novartis is an equal opportunities employer and welcomes applications from all suitably qualified persons.
