Job Description

Management Consultant, Novartis, Prague, Czech Republic

105,000 people reimagining medicine for more than 750 million people globally! That's also the number of people in Novartis you may impact as our new Internal Consultant! Our internal NBS consulting team is committed to delivering value to Novartis. This means achieving change through strong collaborative work and linking the consulting mindset to the outcome of transformation initiatives that are driving the success of the Novartis in reimagining medicine. We aspire to be the go-to colleagues for every strategic and business transformation project across all Novartis divisions and locations. We want our record of delivery to speak for itself. The role is predominantly project based and involves working on programs that could cover any part of the Novartis.

Given the strategic role of Prague office, as one of the key hub for major global transformations, you will be exposed to variety of areas within the pharmaceutical industry (from biomedical research, through drug development and manufacturing to commercial divisions). You will also work closely with senior stakeholders, and have an opportunity to play key role in strategic projects across continents and Novartis divisions.

Your key responsibilities:

Your responsibilities include, but are not limited to:

- Supporting the delivery of large scale projects with a strong focus on successful outcome and operating as part of a wider team or alone as building new strategic opportunities
- Program objectives and problems that are being solved can range from target operating model, operational excellence, data & digital, program management to change management
- Facilitate regular stakeholder management updates to lead and drive change in a heavily networked environment and support the consulting leadership to build and manage key stakeholder relationships;
- Identify opportunities to expand and develop consulting solutions to support the overall Novartis strategy; and develop consulting tools and methodologies for delivering scalable consulting solutions
- The role may require regular travel to Novartis locations where on-site project delivery is required for internal project stakeholders

Diversity & Inclusion / EEO

Novartis is committed to building an outstanding, inclusive work environment and diverse teams representative of the patients and communities we serve.

Minimum Requirements

What you'll bring to the role:

- Graduate degree in technical, scientific or business discipline and preferred sector experience in Management consulting, Outsourcing, Post-merger integration, Technology, Manufacturing, Financial Services, Pharma / Biosciences
- Partner mind-set with a 2-5 years' experience delivering value in leading organizations, Experience from Strategic houses and Top consulting firms or from large corporate environment
- Demonstrated analytical, process-oriented and data driven mindset - a proven ability to operate within multi-functional business change environments; and successful track record in application of consulting tools and solutions in solving complex business problems, related to at least one of the chosen area (Operating Model design, Operational Excellence, Program / Project Management, implementation support of enterprise tools like Salesforce, Workday SAP etc., Change Management, and Data and Digital)
- Understanding of end-to-end project lifecycles including planning and all elements of project execution
- Demonstrated strong written and verbal communication skills as well as solid presentation skills and proficient English (knowledge of a second major European language is an advantage)

Desirable requirements:

- Able to challenge, in an appropriate way, senior stakeholders across the organizations
- Experience working abroad and in an international environment

You'll receive:

Monthly pension contribution matching your individual contribution up to 3% of your gross monthly base salary; Risk Life Insurance (full cost covered by Novartis); 5-week holiday per year; (1 week above the Labour Law requirement) ; 4 paid sick days within one calendar year in case of absence due to sickness without a medical sickness report; Cafeteria employee benefit program – choice of benefits from Edenred CZ in the amount of 12,500 CZK per year; Meal vouchers in amount of 90 CZK for each working day (full tax covered by company); Public Transportation allowance; MultiSport Card. Why consider Novartis?

769 million. That's how many lives our products touched in 2020. And while we're proud of that fact, in this world of digital and technological transformation, we must also ask ourselves this: how can we continue to improve and extend even more people's lives?

We believe the answers are found when curious, courageous and collaborative people like you are brought together in an inspiring environment. Where you're given opportunities to explore the power of digital and data. Where you're empowered to risk failure by taking smart risks, and where you're surrounded by people who share your determination to tackle the world's toughest medical challenges.

Imagine what you could do at Novartis!

Commitment to Diversity & Inclusion:

Novartis embraces diversity, equal opportunity and inclusion. We are committed to building diverse teams, representative of the patients and communities we serve, and we strive to create an inclusive workplace that cultivates bold innovation through collaboration, and empowers our people to unleash their full potential.

Novartis are an equal opportunities employer and welcome applications from all suitably qualified persons.
