Job Description

The work you'll do at Novartis can transform the lives of many people. And as we strive to reimagine medicine that impact will only grow. Join us!

We are looking for curious, perseverant, and purpose driven people to join our team in Bulgaria – a dynamic and evolving organization and one of the biggest pharmaceutical companies on the market.

You will be offered a full-time permanent role of a **Logistics Specialist**, reporting to Logistics Manager. You will collaborate closely with the Supply Chain Headquarters team and manufacturing sites to ensure a timely and continuous supply of Novartis' medicines in Bulgaria. You will also be engaged in various activities supporting the launches of new Novartis' medicines, working together with different company functions like Marketing, Regulatory Affairs, Quality Assurance, etc.

Major accountabilities:

- Ensuring continuous availability of Novartis' medicines in the local warehouse following the safety stock requirements.
- Placing replenishment orders to the manufacturing sites and tracking them to ensure timely supplies.
- Responsible for accurate demand forecast and its timely submission in SAP tools.
- Engaged in various month-end closing activities.
- Close collaboration with local distributors.
- Preparing various documents for Headquarters.

Diversity & Inclusion / EEO

Novartis is committed to building an outstanding, inclusive work environment and diverse teams representative of the patients and communities we serve.

Minimum Requirements

- 3+ years of experience in the supply chain.
- Advanced Excel skills.
- Experience in the pharmaceutical industry is an advantage.
- Excellent communications skills.
- Fluent in English.

Why consider Novartis?

769 million. That's how many lives our products touched in 2020. And while we're proud of that fact, in this

world of digital and technological transformation, we must also ask ourselves this: how can we continue to improve and extend even more people's lives?

We believe the answers are found when curious, courageous and collaborative people like you are brought together in an inspiring environment. Where you're given opportunities to explore the power of digital and data. Where you're empowered to risk failure by taking smart risks, and where you're surrounded by people who share your determination to tackle the world's toughest medical challenges.

Imagine what you could do at Novartis!
