

Novartis: Reimagining Medicine for Better Health Outcomes and Stronger Economy

Our Purpose

We reimagine medicine to **improve and extend** people's lives.

We use **innovative science and technology** to address some of society's most challenging healthcare issues.

We discover and develop **breakthrough treatments** and find ways to **deliver them to as many people** as possible.

Our Identity

Incorporated in 1996, **Novartis Healthcare Philippines, Inc.** is one of the leading research-based pharmaceutical companies in the country, providing innovative, life-saving medicines to patients. Together with our predecessor companies, the collective heritage roots back more than 250 years.

Our Continuing Legacy to Health, Economy and Innovation

Novartis has made substantial contributions to support the Philippine economy and improve health outcomes of Filipinos.
